Mexico City, Mexico, November 25, 2026

On November 24, 2026, Vista Energy, S.A.B. de C.V. ("Vista") (NYSE: VIST in the New York Stock Exchange; BMV: VISTA in the Mexican Stock Exchange) repurchased 30,000 Series A shares of Vista, at a price of Mexican Pesos $980.68 per Series A share. These repurchases were made in furtherance of the approval granted at the general ordinary shareholders' meeting held on April 28, 2026. The total amount of these Series A shares repurchases, excluding fees and value-added tax, was of approximately Mexican Pesos $29,420,400. After giving effect to such repurchases, there were 110,257,402 Series A shares outstanding, and 2,044,351 Series A shares were held in Treasury derived from repurchases carried out by the Company. Vista engaged Citi México Casa de Bolsa, S.A. de C.V., Grupo Financiero Citi México to execute these Series A shares repurchases.
